BOTTLE BABIES

By Hal E. Roach. /

The Spats, though married, are childless - but they have a wealthy uncle who is very fond of children. Next door to the Spats live the Jones who have pretty twins and on an occasion of the wealthy uncle's visit, the Jones's maid had parked the twins in the Spats' home for a few hours. The Uncle taken by surprise greets the children as members of the Spat family and in the Spats' efforts to keep up the false impression, ensue a number of humorous and at times pathetic scenes but all turns out well when the uncle before his departure makes a liberal allowance to the Spat family.
